**Proofing the Prophecy of
Mohamed “peace be upon
him” through the Psalms of
David and the New Testament.**

Prof. Dr. Rachid Khahoose

university AlQuraween / morocco

Abstract

This research is an analitic study of a group of paragraphs from the New Testament and the Psalms of David which proof the truth of Mohamed’s (pbuh) prophecy and the promise of ex-prophets to his coming, propagation and message.

Inspite of the priests’ falsification on the Bible and the Psalms of David, and despite their efforts to obliterate all paragraphs, texts and words that indicate Mohamed’s (pbuh) prophecy, coming, status, virtues and immortal message, some signals and symbols that proof that truth remained in them.
